HOOK & EYE HEY

light & strong

LIGHT & STRONG
like a butterfly

Be faster and more flexible:
Create your own Butterfly-HEY!
→ possible with customer fabrics
(e.g. fabric with prints/color, recycled, biodegradable,...)

Works with any fabric-material
→ from Polyamide to cotton & from Polyester to silk

9 reasons to choose Butterfly - HEY

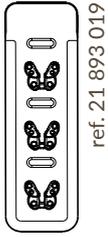

- 1) **Microfiber** fabric H&E tape: **stitch free**, 4-rounded corner, **soft edges** all over, cushioned, two flaps each side, fabric & plastic parts **fully color matched for fashion colors**, prevents roll-up of the back, **does not poke**
- 2) Handling: **easy** to close and open at the back
- 3) **Metal Free**: recyclable
- 4) Flat with 4,5mm, 20-30% **flatter** than regular hook & eye tape
- 5) The only truly **microfiber** hook & eye tape in the market
- 6) Engineering plastic parts: nylon
- 7) **Strong and light** like a Butterfly
- 8) Competitively priced
- 9) Quality: **ISO 9001 & OEKO-TEX** certified
