

REGULATION EC 1907/2006 REACH

Seite 1 von 1

GELT/FORM/D/021/G/100119ST

January 03, 2023

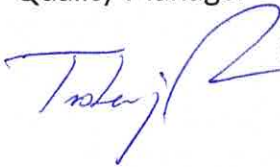

Confirmation

Herewith we confirm, that based on our actual informations, that in none of our products or packing materials delivered to you, any substance falling under the criterias of article 57 REACH Regulation (67/548/EWG) and listed in the actual SVHC database, is evident and in a higher concentration than 1000 ppm (percentage referring to article weight).

Be assured that, if any Substance of Very High Concern is identified in any of our products above the threshold of 0.1% by weight, we will take necessary actions to make the required notification to our customers.

With kind regards

Snjezana Trstenjak
Quality Manager
